### **PRESS RELEASE**

#### **ATTIC Continues Carnival Collaboration with TTPS and NCBA**

The Association of Trinidad and Tobago Insurance Companies (ATTIC) continues to partner with the Trinidad & Tobago Police Service (TTPS) and the National Carnival Bands Association (NCBA) in our sponsorship of the stickers used to validate trucks and trailers who have been granted permits to operate on the band route on Carnival Monday and Tuesday.

The collaboration began prior to 2005, initially through the NCBA but which has since moved to the Mobile Office of the Assistant Commissioner of Police.

Cpl Roberts of the Mobile Office of the Assistant Commissioner explained that this is an important aspect of public safety and the successful coordination of the road activities for Carnival as only vehicles that have met the required criteria laid out by the TTPS, which includes up to date vehicle insurance, proof of ownership and insurance coverage for every passenger/person on the vehicle are granted a permit.

ATTIC remains a proud sponsor of this initiative and we take this opportunity to wish all a safe and enjoyable carnival.
