### **ATTIC Stands in Solidarity to Combat COVID-19**

On behalf of the Insurance Industry, our hearts go out to all those impacted globally, regionally and locally by COVID\_19. While our focus is on the success of the Insurance industry, we are deeply concerned about the health and safety of our employees, stakeholders and communities that we serve. The virus was deemed a Pandemic by the World Health Organisation on effective March 11th 2020 and the situation is changing rapidly.

**We urge the public to heed to guidance of our Public Authorities and to incorporate the following guidelines in their daily routines:**

- **Wash your hands frequently**

Regularly and thoroughly clean your hands with an alcohol-based hand rub or wash them with soap and water.

- **Maintain social distancing**

Maintain at least 1 metre (3 feet) distance between yourself and anyone who is coughing or sneezing.

- **Avoid touching eyes, nose and mouth**

- **Practice respiratory hygiene**

Make sure you, and the people around you, follow good respiratory hygiene. This means covering your mouth and nose with your bent elbow or tissue when you cough or sneeze. Then dispose of the used tissue immediately.

- **If you have fever, cough and difficulty breathing, seek medical care early**

Stay home if you feel unwell. If you have a fever, cough and difficulty breathing, seek medical attention and call in advance.

- **Stay informed and follow advice given by your healthcare provider**

Stay informed on the latest developments about COVID-19. Follow advice given by your healthcare provider, your national and local public health authority or your employer on how to protect yourself and others from COVID-19.

**Board of Directors:** Paul Traboulay - President, Jason Clarke - Vice President (General), James Camacho, Baliram Sawh, Anand Pascal, Sean Jack, Ronald Milford, Keston Howell, Maxim Marquez

The Insurance Industry at this perilous time has prioritise the health of its customers, staff and their families and has taken measures to ensure the continuity of business while minimizing the risk posed by COVID-19. Customers are therefore encouraged to conduct business at a 'distance,' that is online, via telephone or email unless a visit to your insurance provider's office is absolutely vital.
