

The Insurance Industry Mourns the Loss of:

John Henry Smith (1947 – 2021)

“A great soul serves everyone all the time. A great soul never dies. It brings us together again and again.”

An insurance stalwart, Mr. Henry committed almost fifty (50) years of his life to the industry. His relationship with the Association of Trinidad and Tobago Insurance Companies (ATTIC) and the Trinidad and Tobago Insurance Institute was a long standing one. He served as both President and Vice President of ATTIC and on the TTII's Board of Governors. This industry giant was also instrumental in the establishment of the UWI BSc Insurance and Risk Management programme.

Mr. Henry was the epitome of an insurance pioneer and will be sorely missed. He was also an actor, playwright, musician and singer. John was described by some of his counterparts as ‘a man for all seasons’.

The Directors of Association of Trinidad and Tobago Insurance Companies (ATTIC), the Board of Governors and the Council of Trustees of the Trinidad and Tobago Insurance Institute (TTII) express sincere condolences to the family, friends and colleagues of Mr. John Smith. May he rest in eternal peace.
