

**ASSOCIATION OF TRINIDAD AND TOBAGO  
INSURANCE COMPANIES**

**Effect of Board of Inland Revenue  
Closures on Approval of Annuities**

The Association of Trinidad and Tobago Insurance Companies (ATTIC) wishes to advise members of the public that the closures of the offices of the Board of Inland Revenue (Port of Spain and San Fernando) have resulted in delays in the approval of Annuity Policies.

We do apologise for any inconvenience experienced by customers awaiting approvals and hope for a speedy resolution to the existing situation.
